

## Patient Information Sheet: Medication

---

Welcome to Advanced Medical Specialist. Please read the following information regarding requests for medication refills with Advanced Medical Specialists.

- Please do your best to request all medication refills during your visit with the specialist.

If a medication refill is necessary before your next appointment with a specialist, please call the AMS center using the medication line: \_\_\_\_\_

You will be required to leave the following information:

**Your name and date of birth**

**Date and time of call**

**Telephone number where you can be reached**

**Specialist who is treating you**

**Your medication request**

**Pharmacy name and telephone number**

- Please allow **24 hours** to complete your medication request
- **Please note: All medication request made after 4pm during normal business hours will not be processed until the following business day.**
- **Request made after 4 pm on Fridays will not be addressed until the following Monday.**

*Please do your best to follow our medication policy; it will help ensure timely refills.*

*If you have any further questions, please ask the AMS Practice Administrator.*

*Thank you. We look forward to making a difference in your health at Advanced Medical Specialists.*
